

Building on 20 Years of Success

LET'S KEEP A GOOD THING GOING!

The Ohio Housing Trust Fund has been building Ohio for 20 years, funding programs that house and serve low-income and vulnerable Ohioans while creating jobs and leveraging capital.

The \$8 billion hole in the next biennium budget poses unprecedented threats to all areas of state funding. Learn how you can better educate your legislators to protect the Ohio Housing Trust Fund by attending our how-to workshop in September. You can't afford to miss it!
