² Although HOPE VI is proposed to be funded at \$100 million, it is unclear whether these funds can be used for the Choice Neighborhoods Initiative.

*Figures shown do not include 0.2% across the board reduction.

** Budget authority (the cost to the government) in the Farm Labor Housing program account would remain at FY10 levels, but loan costs have risen as interest rates have risen, so the Section 514/516 program levels could be somewhat lower than in FY10.

***The CR provides for a reduction of \$1.1 million in the Rural Housing Assistance Grants pool, which funds Section 504 loans, Section 533, and some other smaller programs
