

Ohio CDC Association 25th Annual Conference

Canton, Ohio

September 23-24, 2009

Call for Sessions

Ohio CDC Association is looking for proposal session topics for our annual conference agenda. We are asking for your assistance in creating a strong conference agenda that addresses the emerging changes within the community development industry. Proposal sessions can range from a variety of topics including housing, microenterprise, community economic development, policy, asset building and technology. Topics can be proposed as tours, speakers, panels, or workshop sessions. **But don't let us limit your imagination!!**

We are asking you send your session topics by Tuesday, April 28th, 2009. You can submit your session topics by emailing Amy Griffith, Director of Training and Technical Assistance at agriffith@ohiocdc.org.

Ohio CDC Association looks forward to your involvement in our Annual Conference.
